Val de Reyes

A semi-sweet dessert wine

Grape variety: 50% Moscatel and 50% Albillo

Category: Semi-sweet white

Region: Vino de la Tierra de Castilla y León.

Winemaking: Made from Botrytis Moscatel (from a very small and unique area in the lower Duero Valley) and the lesser sweet Albillo.

TASTING NOTES

This semi-sweet white is crisp, clean and surprisingly fresh with fantastic aromatics full of honey, orange peel and raisins delicately blended together. Perfect balance between the acidity of the Albillo and the sweetness of the Moscatel so this wine is not too sweet with only 60gr/litre.

FOOD PAIRING

As an aperitif with foie gras, pates, and soft cheeses
or as a dessert with slightly sweet desserts.
